

Amendments to the Drawings

Attached are four sheets of drawings, each labeled "Replacement Sheet" (Figures 1-7). The labels, centered in the top margin of each sheet, also indicate the first inventor's name, application number, filing date, title, and attorney docket number. Replacement sheets for Figures 1-7 have been amended to include the label "Figure" and the corresponding number. These four sheets replace the original five sheets of drawings.

Attachment: Replacement sheets (4)

REMARKS

The specification and claim amendments requested herein are to formalize reference to the Deposit of Biological Material. The deposit statement in the specification and all claims which refer to *Muscodor vitigenus* 2116 by name (claims 1, 5, 8 and 10) have been amended to recite the appropriate deposit accession number (Accession No. CBS 120164).

Drawings have been labeled appropriately as Figure 1, Figure 2, Figure 3, Figure 4, Figure 5, Figure 6 and Figure 7. These designations correspond to the figure descriptions provided within the Brief Description of the Drawings section in the specification. No new matter is added by these Amendments.

Applicants respectfully request entry of this Amendment prior to issuance of the patent.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
